“ Robby is a big part of my Raisinville Big Room memories. He always escorted teachers to their cars after dark, and would happily carry anything you might need to your car for you. He had kind words for each of us, and I will always remember him fondly.

“ Robby and I spent many hours together after school at Raisinville Elementary School. He was cleaning the room while I was finishing whatever needed to be done in my classroom. We shared stories and complaints while we were taking a “break”. He worked hard and was a gentle soul. The only time I saw him angry was when we got out the glitter...he grumbled as he cleaned it up. My sincerest sympathy to his family. He will always be a part of my Raisinville memories.

“ I fondly remember all the fun we had as kids in Townsite. We packed as much fun in each day until the street lights came on... and sometimes even after that. RIP Wah.

“ Robby was a respected and loved member of the Raisinville Custodial Staff, and a friend. He and I shared many stories, and laughed together often while he worked to keep our school clean every evening. He and I had fallen out of touch in the last several years, but I will cherish the memories of Robby at Raisinville School where he and I worked for so many years, together. Rest in peace, Robby.
