“ I have many fond memories of Pat when I was in high school. Her sister Kathy was one of my best friends and we would visit Pat quite often, Her children were not in school yet and we would love seeing them play and interact with us. Pat was always so kind to all of Kathy's friends and so nice to be around! I have seen her periodically through the years and she never lost her sweet disposition! May the angels carry her to paradise after a life well lived! RIP Pat
